My dear President HANNAH,

I am sure you have heard from Deans Muelder and Erickson how grateful we are for the very valuable services of the professors from Michigan State University who are here in Vietnam. Your representatives, now led by Dr. Wesley FISHEL, have made a place for themselves in our hearts. I myself have had occasion to know best the work of Dr. FISHEL and Dr. John DORSEY. I was very sorry when I learned that the illness of his son made it necessary for Dr. DORSEY to return to East Lansing. I hope that he will soon recover and that you will encourage Dr. DORSEY to return to Vietnam as soon as possible.

It was a pleasure for us to receive the Deans Muelder and Erickson in January. I was disturbed, however, that they did not assure me that you yourself plan to visit our capital. May I extend to you my very best wishes and my assurances that I should be very happy if you could find it possible to visit our capital this year, too.

Dr. John A. HANNAH  
President  
Michigan State University  
East Lansing, Michigan  
U.S.A.
