Dear President Hannah:

I wish to thank you and your wife very much for your extreme thoughtfulness in entertaining Rector Trinh and his wife in your home Tuesday evening. It was not only good hospitality but it was also very good education for our Vietnamese friends.

Before leaving East Lansing the Rector made a special point of thanking us for a very fine stay and particularly commented about the fine experience he had had with you at lunch yesterday. We will keep you informed as to what happens to the University of Vietnam after his return as to particular educational or other changes that are made with university practices over the next few years.

Thank you once again.

Sincerely yours,

Edward W. Weidnger
