MEMORANDUM OF AGREEMENT CONCERNING POLICE TECHNICAL ASSISTANCE WORK

It is mutually agreed that the following principles and policies will be observed in the assignment of police personnel and the manner in which they will carry out their assignments:

- 1) All personnel are to be appointed by MSU and will be regarded as responsible to the MSU technical assistance group in the same manner as other personnel assigned to the MSU group.
- 2) Such personnel are not to engage in direct operations but will have teaching and training as their primary duties.
- 3) The President of Vietnam is to be informed concerning their assignment and is to give his concurrence.
- 4) There is to be a single channel for the distribution of supplies, which distribution in Saigon is to be carried out in accordance with standard MSUG policies, as laid down by the Chief Advisor, the Executive Officer and the Deputy Advisor in charge of the Police Project of MSUG.
- 5) Terminal dates for the assignment of personnel engaged to carry out special training and teaching are to be made. Such personnel will leave Vietnam upon the termination of their teaching and training duties with MSUG.
