OFFICE OF THE PRESIDENT

May 5, 1966

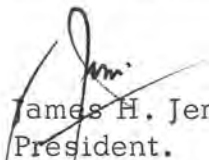

President John A. Hannah
Michigan State University
East Lansing, Michigan

Dear John:

A copy of your statement of April 2, 1966 on the Michigan State response to the article in Ramparts magazine was received. It is an excellent statement. Some of the comments contained therein, especially those having to do with your experience in avoiding some of the problems, are most useful. Many thanks for sending me the copy.

Sincerely yours,

James H. Jensen,
President.
