

Dear Dr. Hannah,

I am sure you are aware of the interest generated by the Ramparts article. I was extremely glad to hear your press conference as broadcast on WKAR. I was wondering if I might have a copy of your remarks during the broadcast. This request is made so that I can give evidence to the critics who continue to belabor the situation.

Thank you very much.

Dear Mr. Barreras:

This acknowledges your kind note.

A copy of the statement to the press last week on the Ramparts--CIA--MSU item has been forwarded to you.

Sincerely,

President

Mr. Raymond J. Barreras  
Department of Chemistry  
Campus
