

MICHIGAN STATE UNIVERSITY EAST LANSING

---

UNIVERSITY COLLEGE • OFFICE OF THE DEAN

Apr. 25, 1966

Dr. John A. Hannah, Pres.  
Mich. State Univ.  
Campus

Dear Dr. Hannah:

For whatever it is worth, both Mrs. Winburne and I fully support you in the present discussions over the Vietnam project.

It disturbs me no little to hear my colleagues rush to criticize the University with as few facts as some have.

Sincerely,

  
John N. Winburne
