

Ramparts

April 27, 1966

Dear Governor Romney:

It occurred to me that you might like to have a copy of Michigan State University's statement on our project in Vietnam between 1955 and 1962 that was so severely attacked by Ramparts magazine earlier this month. A copy of the official statement of the University is attached for your information and use.

Sincerely,

President

The Honorable George Romney
Governor of Michigan
State Capitol
Lansing, Michigan
