Mr. Lewis Andretta  
American Friends of Vietnam  
4 West 40th Street  
New York 18, New York

Dear Lou:

I am enclosing a few items for your letter files. May I ask that you eliminate the word "the" from the title of my paper.

I just checked with Rinehart's secretary--he is still in meetings--and she assured me that he will come. However, she thinks he will be speaking from an outline rather than from a prepared text. Ergo, no prior press release is likely.

I have been unable to reach Rosenfelt to ask him to send the materials to Harry Edward, so I shall try to get hold of my own this afternoon and send them on to him.

Also, on the program, you might make David Cole "Dr." and his title may be changed to Assistant Director, Center for Economic Development, Vanderbilt University. Also, is not Sidney Klein "Dr.", and should not Wolf, Lien, Pike, Henderson, and Mac Alister be titled "Mr." for sake of uniformity.

Sincerely,

Wesley R. Fishel  
Professor
