Dear President Hannah:

On behalf of the four-man mission which is going to Vietnam I wish to thank you very sincerely for the wonderful way in which you have kept your staff members interests at heart.. It isn't very often that such a dramatic example of thoughtfulness on the part of top administrators for their staff comes to light. I know I speak also for our wives in telling you that much of the tension connected with this trip has been relieved because of the financial and insurance arrangements that have been made.

I know that Mr. May also played a part in helping us get off to this fine start. My thanks to him. I hope that the mission is as successful in Saigon as preliminary arrangements for it have been.

Sincerely yours,

*Edward W. Weidner*
