TO: President John A. Hannah
FROM: Charles C. Killingsworth, Coordinator
SUBJECT: Proposed Amendment No. I to Vietnam Contract

Attached hereto are six copies of a proposed amendment to our contract with the International Cooperation Administration. This proposed amendment has been accepted by ICA, and is submitted for our consideration. The proposed text has been carefully examined in this office, and it is our belief that the amendment is acceptable.

Items 1, 2, and 8 of the amendment make minor changes in language, with no change in substance. Items 3 and 6 incorporate certain limitations which were orally accepted by us prior to the execution of the Vietnam contract. Items 4, 5, and 7 incorporate clarifications or liberalizations which have been requested by us. Item 4 relates to travel and baggage allowances, item 5 relates to participant training in third countries, and item 7 gives us somewhat greater leeway in terminating the contract.

*Returned

It is recommended that the six copies of the proposed amendment be signed and returned to this office for transmittal to Washington.
