

République du Viet-Nam

Présidence de la République

SAIGON July 2, 1956

Dear President HANNAH,

I am pleased to learn that you are planning definitely to visit South Viet-Nam in November and shall look forward to seeing you here at that time. You may be sure that a cordial welcome awaits you.

I am certain that you will find much evidence of the fine work of the Michigan University Group in Viet-Nam verifying the reports you have received. The work which it has done and is continuing to do is greatly appreciated by all of us in the government.

A series of lectures given at my request by members of the Group to top government officials is just coming to an end. These lectures have contributed in no small measure to the stimulation and the instruction of these men on whom so much of the future of Viet-Nam depends. This is just another incident of the fine work the MSU professors are doing here.

Cordially,

Mr. John A. HANNAH
President
Michigan State University
