Office of the President
Michigan State University
East Lansing, Michigan

Gentlemen:

We would like to obtain a copy of President Hannah's recent report on Michigan State's Program in Vietnam.

The major responsibility of the Bureau of Public Discussion is to help contribute to a better understanding of contemporary problems at home and abroad which concern the layman in his role as a citizen. To aid in the realization of these objectives, the Bureau provides to people over the State of Indiana a reference loan service consisting of current materials on contemporary problems.

Thank you for your cooperation and we look forward to hearing from you.

Sincerely yours,

Michael Parrish
