Michigan State University  
East Lansing, Michigan

Dear President Hannah:

Three cheers for our side. All the garbage that has appeared in print recently, overlooks two salient facts. One is that regardless of "States" motives in getting involved in foreign activities, it is doing an exceptional job. The second fact is that the C.I.A. is on our side. If the group involved was the N.K.V.D. or the Gestapo then all the howls would be justified but the C.I.A. (regardless of all its faults) is a member of our team.

My pride in being an alumnus of M.S.U. grows each year as "States" stature grows.

Sincerely yours,
