Dear President Hannak,

I would like to congratulate you on your fine statement in defense of our University. Your response was well organized and extremely unambiguous.

Having recently read the article in Ramparts I was rather concerned about knowing just exactly what did go on in Viet Nam. Although I don't feel that I can draw any definite conclusions from two articles I think that I am beginning to grasp the issue, or at least parts of it.

Thank-you for making such a prompt and effective statement in answer to Ramparts

Sincerely,
Kathy Loase
