Mr. Robert W. Scott
Title and Registration Division
Office of Secretary of State
317 East North Street
Lansing, Michigan

Dear Mr. Scott:

After addressing several requests to the East Asiatic Company in Saigon, Vietnam where I purchased my Volkswagen last February and took delivery in March, I have today received from that Company what appears to be the original Bill of Sale for my car.

I believe you are holding the rest of my papers in your Office pending receipt of this document, so that you may issue a proper certificate of title for this automobile.

Sincerely yours,

Wesley R. Fishel
Professor
