Dear Wes:

This is to confirm the date of the third biennial Middlewest Faculty Conference on Research in Progress in Underdeveloped Areas: Friday, October 30 through November 1. It will be held in Chicago with most of the meetings here in LIR.

As I mentioned on the telephone, we had to do quite a bit of preliminary planning in order to get the grant from the U.S. Office of Education, a grant made possible by the initiative of Sister Thomasine and Rosary College.

However, there are important matters still to be settled, principally about participants. Consequently, we should like to have the Advisory Committee meet with us soon here in LIR. Attached is the tentative program, and suggested invitees to date, so you may be considering alternative topics and persons. The other members of the Advisory Committee are:

- | | |
|-------------------------|------------------|
| Philip Hauser, Chairman | |
| Leonard Binder | Bert Hoselitz |
| George Blanksten | George Stolnitz |
| Norton Ginsburg | Sister Thomasine |
| Andrew Whiteford | |

You will hear from us presently about a Committee meeting date.

Appreciatively
