Dear Dr. Fishel:

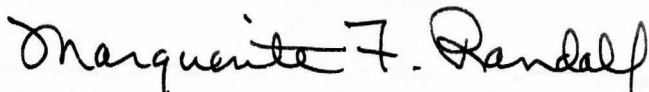

We are very pleased that you will again open our "Asia"
series on October 6 this fall.

"Facing the Communist Challenge in Southeast Asia" is an
excellent title, and we shall look forward to hearing your
views on the subject.

At a later date we shall write you re dinner arrangements,
and you might let us know who will be coming to Flint with
you so we may plan accordingly.

Thank you very much.

Sincerely,

Mrs. Marguerite F. Randall, Coordinator
