MEMO TO: Doctors Wesley Fishel, Ralph Smuckler, Edward Weidner  
FROM: A. F. Brandstatter

Ralph Turner is asking for our assistance, again. He is asking each of us (Ryan and myself included) to examine the enclosed report which he will submit to the Minister of Interior.

Turner believes this report should reflect the thinking of all of us for obvious reasons. I agree. He urges that we make changes, corrections, and rewrite any part of the report with which we do not agree. If you prefer not to do this, Turner will modify the report if you will provide him with the necessary information to make changes etc. Also, feel free to add anything and sign your own name, if you wish to be identified with the report in this manner.

Turner has also established a deadline for us to meet. He would like the report in the mail not later than April 17. To meet the deadline he has set for himself, let's try for April 12 or earlier.

If you wish, please respond directly to Turner and send me a copy of your response. Or, I shall be happy to collect the reports and forward them from my office. I shall be checking with each of you.

Incidentally, Turner expresses all the necessary amenities for imposing on us--apologies, presuming we have the time, etc.

Many thanks for your assistance.
